

CITY OF DUPONT'S WEEKLY BITS & BYTES

Friday, March 28, 2025

Bits of News Around the City

On March 25, 2025, the City of DuPont celebrated a significant achievement with the grand opening of the Bell Hill and Hoffman Hill Water Filtration facilities, designed to remove PFAS contaminants from the City's water supply. The event was attended by Mayor Frederick, members of the City Council, the Public Works Department, State Representative Mari Leavitt, and community members.

The ribbon-cutting ceremony at the Bell Hill facility highlighted the City's commitment to providing clean, safe drinking water for residents. Attendees had the opportunity to tour the state of the art facility and learn about the advanced filtration technology now in place.

This endeavor was possible from Federal and State funding, thanks to Senators Murray and Nobles; Representatives Bronoske and Leavitt; the City Council; dedicated City staff.

We are grateful to all who contributed to this success and joined us in celebrating this important milestone!

Bear sightings: Every year, bears are sighted around the area, in yards and on trails. Bears tend to avoid humans; however, prevention is the best advice. Access to food sources is the number one reason for conflict – pet food, bird feeders and unsecured trash are some of the things that could attract a bear. When possible, put your garbage out shortly before the truck arrives.

When walking the DuPont trails, never travel alone, keep small children near you at all times, and always make your presence known by talking or making loud noises. Remember to keep a safe distance if you encounter a bear.

Report any sightings to 9-1-1 and go to [SeeClickFix](#) for additional reporting. For more information on black bears, please visit [Washington Department of Fish & Wildlife](#).

Planning Services Department

Comprehensive Plan Updates

Follow along with the work being done by the Planning Commission on the Comprehensive Plan Update by visiting the dedicated webpage on the City's website.

Items will be added as they become available to the public.

The webpage can be found [here](#).

Temporary Signs Require Permits

Now that spring is here, our community is buzzing with special events. Are you thinking of placing temporary signs to promote your event? Did you know that **temporary signs require permits**? You can find more information on our website [here](#).

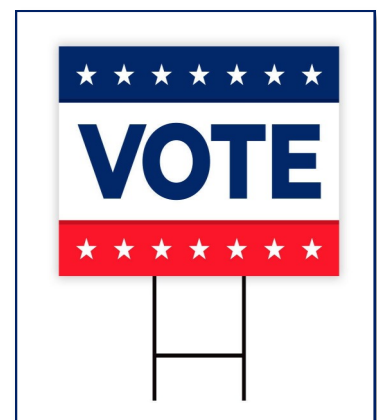

Additional questions? Please call City Hall at (253) 964-8121.

Political Signs

As election time gets closer, temporary political signs will start to be placed throughout the City. Political signs do not require a permit.

These signs must be removed within five working days following an election, except for a candidate who is successful in a primary election, in which case, those signs may remain until five days after the final election. The person posting the sign shall be responsible for removing it.

- FAQ's can be found [here](#).
- DMC Chapter 25.116 Sign Code can be found [here](#).
- Questions? Call City Hall at 253-964-8121.

ALERTS, NOTIFICATIONS, EVENTS

Sign up for the City of DuPont's Alerts, Notifications, and Calendar events.

Go to www.dupontwa.gov and on the homepage under the pictures, click "Notify Me" or go [here](#).

Want to be informed?

Municipal Agency Vacancies

There are some vacant positions on the Civil Service and Tree Advisory Commissions. Vacancies can always be found on the City's website under the "Government" and then "Commissions" tabs. Click on each commission below for more information.

City Hall will be
closed Thursday,
April 10th
for a Staff
Cleanup Day.

Baseball and Softball Gear Exchange

The Patriot Athletic League has placed bins Inside City Hall for neighbors to kindly leave baseball and softball equipment their child has outgrown. Stop by City Hall during business hours (Monday through Thursday from 9 AM to 4 PM) to see if any of these items might work for your family can use. If you have clean, usable equipment to donate, feel free to leave it neatly in the bins under the counter to the right of the lobby doors.

Please follow these rules when donating gear:

- Clothing items accepted and MUST be washed.
- Baseball & Softball gloves, helmets, field masks, and cleats with laces tied together accepted.
- No bats, no broken gear, no hats, no cups, no socks, no unwashed / unclean / ripped / holes in any item.

For more information about the Patriot Athletic League click [here](#).

2025 Spring Cleanup

The City of DuPont in coordination with LeMay Pierce County Refuse is offering a
Community Cleanup of your unwanted materials on:

Saturday, April 26, 2025

8:00 AM

[DETAILS
HERE!](#)

Let's SHRED!

Only shred portions of documents with sensitive information.

10:00 a.m. to 1:00 p.m.
Or until the truck is full.

Saturday
April 12th

DuPont City Hall
1700 Civic Dr.
DuPont, WA

Shredded paper is
not accepted in your
curbside recycling bin.

Attendees can shred up
to 3 shopping bags of
paper at each event.

WSDOT

I-5 - Mounts Rd. to Steilacoom-DuPont Rd. - Corridor Improvements

Last week, lane restrictions and rolling slowdowns were in place near Exit 119 to reduce traffic for crews to work in the bridge work zones.

Updates are available on the WSDOT website (see link below) and are often added as a News Flash on the City's website (see page 3 for ways to sign up for these alerts.

Sign up for WSDOT email updates [here](#).

An important message from South Sound 911

If you were here and had an emergency, how would you describe where help can find you?

If you ever need to call 911, one of the first questions you'll be asked is your location. Make sure you know your address, nearby landmarks, or major cross streets — especially if you're in an unfamiliar area.

Knowing where you are helps us get to you faster, ensuring you get the help you need without delay.

Stay safe, stay aware, and always be ready to provide your location when it matters most.

* Special thanks to South Sound 911 employee Julie Mohr for submitting this local [#KnowYourLocation](#) photo!

REPORTING AN INCIDENT? NEED AN OFFICER?

- To report an emergency, dial 9-1-1
- To report a non-emergency, dial (253) 287-4455
- If you aren't sure, let us help you by dialing (253) 964-7060

If you have non-urgent questions, suggestions, want to file a complaint or commend a D.P.D. staff member, we appreciate the opportunity to assist you. You may reach us via email at Police@dupontwa.gov or by telephone at (253) 964-7060.

Safety Message: Prepare the garden for this fire season.

Gardening practices you can take to prepare for this fire season:

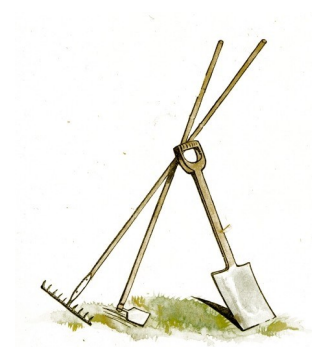

1. Remove fire fuel wherever possible.

- Clean your gutters and attic vents of debris.
- Clear your roof of leaves and moss.
- Don't store flammable materials underneath elevated decks or porches.
- Clean dead vegetation from between deck boards and under the decks.

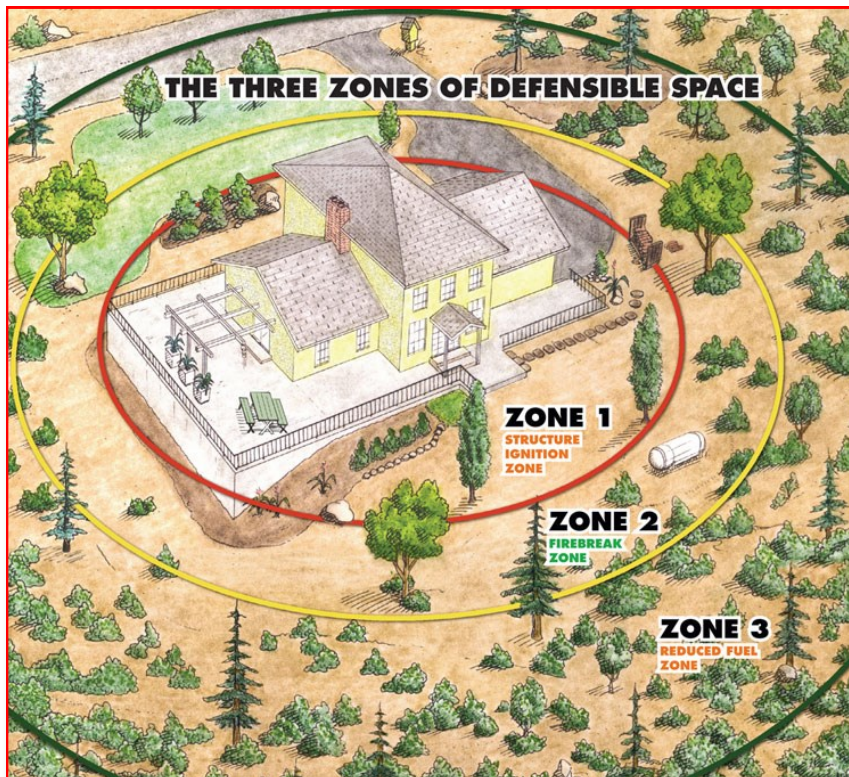

2. Plant for moisture, plants that include these characteristics are, in general, good choices for fire-wise gardens:

- Higher moisture content in their leaves.
- Resistance to drought.
- Low, compact growth.
- Leaves that will not catch and hold embers.

3. Create a defensible space on your property.

- 0-5 Feet, create a non-combustible boarder around your home.
- 5-30, use fire wise plants.
- 30-100, spacing of trees and landscaping.

For more information, go to the Washington State Department of Natural Resources website at <https://www.dnr.wa.gov/firewise>.

Fire-resistant Landscape Plants for the Puget Sound Basin

The path to the future is through the forest

Selecting native plants suited to the characteristics of your site will help ensure you have the most vibrant healthy landscape possible. Native plants require little or no watering and can be less susceptible to stress.

Rhododendron macrophyllum

Characteristics of Fire-resistant Plants

- Little seasonal accumulation of dead vegetation
- Open, loose branching habit
- Woody plants are non-resinous

Resinous trees such as cedar, spruce, and pine can increase the intensity and rate of spread of wildfire. Special care in placement, spacing and pruning are needed if trees of this type are retained within 30 feet of the home.

TREES

	common name
<i>Acer</i> spp.	Maple
<i>Alnus</i> spp.	Alder
<i>Betula</i> spp.	Birch
<i>Cornus</i> spp.	Flowering dogwood
<i>Fraxinus latifolia</i>	Oregon ash
<i>Malus</i> spp.	Crab-apple
<i>Populus</i> spp.	Cottonwood, aspen
