

Notice of Application

Pioneer Aggregates South Parcel Project

The City of DuPont has received permit applications for the Pioneer Aggregates South Parcel Project that may be of interest to you and you are invited to comment on the proposal.

City File Nos.: PLNG2021-006 (Site Plan Review), PLNG2021-009 (Tree Modification), PLNG2021-010 (Critical Areas Permit) and SEPA2021-002 (SEPA)

Project Description: The proposal is to expand the mining operations currently occurring on the North Parcel to the South Parcel for an area of approximately 188 acres. The expansion to the South Parcel would extend mining at the current rate for approximately 14 additional years.

SEPA Environmental Review: The City has determined that the proposal may have probable significant environmental impacts and will be issuing a SEPA Determination of Significance (DS) / Scoping Notice in accordance with DMC Chapter 23.01, WAC 197-11-360 and WAC 197-11-420. The environmental review process will include a scoping of the range of environmental issues to be evaluated that will also include an extended scoping comment review period of 30-days. Therefore, the City is leaving the public comment period on this Notice of Application open until conclusion of the EIS scoping comment period (estimated to occur early September and complete by mid-October 2021). The City will be publishing separately a Scoping Notice with comment due dates.
