

What is Illegal Dumping and Littering?

Dumping is a form of littering, which is the unlawful depositing of solid waste (i.e., tires, construction debris, yard waste, trash, motor oil, etc.) at a location other than a legally accepted facility or trash receptacle.

Report Spills or Discharges

Illegal Dumping and Littering

**Dumping and littering is
against DuPont Municipal
Code 6.01 & 6.02**

Why Should We Not Litter?

- ◇ Reduces environmental and safety hazards.
- ◇ Saves city and private property owners money on clean-up and disposal.
- ◇ Generates community pride.
- ◇ Keeps a pleasant community appearance.

**For proper disposal methods:
Visit www.dupontwa.gov for more
information.**

If you see an act of illegal dumping, you can do something to help!

Write down information about the illegal dumping. Please record:

- ◇ The exact location where the dumping occurred (Most important).
- ◇ The license plate number of the vehicle.
- ◇ A description of the vehicle and person(s) involved.
- ◇ The date and time of the incident.
- ◇ If possible photos of the dumped material(s) and act of dumping.

Common examples of illegal dumping:

- Disposing of your trash along public roadways or in vacant lots, fields, wooded areas, stream valleys, parklands, or any other unacceptable location.
- Dumping chemicals, pesticides, used automotive fluids, and other pollutants into storm drains, into waterways, or on the ground.

- Improperly disposing of yard waste (leaves, grass clippings, brush, and natural wood waste) by throwing it over your fence or dumping it in a nearby wooded area.
- Dropping off solid waste at any location other than a legally accepted facility.
