SEPA Environmental Review Process: The City issued a Notice of Application and Optional DNS on March 8, 2023, with a comment period ending on March 22, 2023. Due to a delay in posting the site, the comment period was extended to April 5, 2023. No comments were received on the proposal. The applicant has also filed for a Type II Site Plan Review (PLNG 2022-026).

The Responsible Official hereby makes the following findings and conclusions based on a review of the environmental checklist and attachments; comments received from City Departments; other information on file with the City and the policies, plans and regulations designated by the City of DuPont as a basis for the exercise of substantive authority under RCW 43.21C.060. The Optional DNS process in WAC 197-11-355 is being used. This DNS is issued under WAC 197-11-340(2). The lead agency has determined that, as mitigated, the proposal will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the city. This information and a full copy of the SEPA MDNS is available to the public on request.

CONCLUSIONS OF THE RESPONSIBLE OFFICIAL: The Responsible Official has determined, with the mitigation measures listed above, that the proposal will not have a probable significant impact on the environment, and an Environmental Impact Statement is not required under RCW 43.21c.030(2).

APPEAL PERIOD: This MDNS is issued using the optional DNS process in WAC 197-11-355. There is no further comment period. Consistent with DMC 25.175.060(4) and WAC 197-11-680, this Determination may be appealed to the city hearing examiner. Pursuant to DMC 25.175.060(3), only parties of record may file an administrative appeal. Appeals must be filed within 14 days after issuance of this MDNS (no later than 5:00 pm on May 5, 2023). Instructions for filing an appeal are found in DMC 25.175.060(4). Appeals shall be in writing, be accompanied by the required appeal fee and contain the information detailed in DMC 25.175.060(4)(d). You should be prepared to make specific factual objections.

Issue Date: April 21, 2023

End of Appeal Period: May 5, 2023
