***REVISED* Notice of Public Hearing Patriots Landing Village Master Plan**

The City of DuPont is modifying the public hearing date and time for the Patriot's Landing Village Master Plan.

City File Nos: PLNG2022-014 (Master Plan Approval); PLNG2022-019 (SEPA)

Project Description: The proposal has been modified since the original application to withdraw/defer previously requested approvals (Type II Site Plan Review, Type I Design Review, Type III Tree Modification and Setback/Design Variances) to focus on the Type III Master Plan approval. Deferral of the additional permits is allowed per DMC 25.152, Master Plans. The proposal is for additional development in Patriots Landing. The applicant seeks to Master Plan a 43.8-acre area comprised of 8 parcels, some of which are already developed or approved for development, and some of which are for new development. The northeastern 10 acres is vacant land proposed to be developed into a 78,000 SF elementary school for 500 students. The southwestern 14.60 acres is vacant land proposed to be developed with two buildings for multifamily (83 units) and senior living multifamily (200 units) uses totaling 240,000 SF. The already developed or previously permitted portions of the Master Plan area include 3.26 acres to be occupied by the previously approved Patriots Landing Memory Care facility and the eastern 15.94 acres occupied by the existing Patriots Landing Assisted living facility consisting of an assisted living multifamily building and several single-family independent living cottage style homes. While included within the boundaries of the Master Plan area, the previously approved Memory Care and constructed assisted living/senior housing buildings underwent a previous SEPA evaluation; only the new uses and buildings are included in this SEPA Determination. The proposal includes roadway improvements, landscaping improvements, open space/recreation areas, stormwater and utility infrastructure, and below- and above-ground parking spaces.
